"A specialist preschool and primary school"

Join a team of professionals who provide engaging learning opportunities for students with disability. We have a number of classroom teacher positions available working in our school. We are looking for people who want to work in this specialist area teaching students who have disability. Our school has a satellite program where there are classes in mainstream schools.

This is an opportunity to provide high quality education to students with disability. As a school we have a range of whole school events including school performance that is directed by our school performance team.

Benefits:

We have small class sizes, fulltime Special Education Support Officer in your classroom, excitement of working in a specialist setting, opportunities for innovation, working in a team environment, a rare and challenging yet rewarding teaching opportunity central to Darwin.

Highlights:

- *We have a performance team that consists of Music Teacher, Drama Teacher and *Visual Arts Teacher.
- *Induction process for all new teachers to the school
- *Supportive leadership team
- *Partnerships with local primary schools
- *Structured Teaching classes
- *Successful Pre-School Program
- *Professional Learning opportunities
- *We work in a small progressive Education System
