

Presidents annual report

Collated by Colleen Crawford (national president), Karen Wilson and Megan Cavanagh (national vice presidents)

This year the executive have worked very closely together to maintain progression of various initiatives and actions in our National President's absence

Areas of focus included:

- Strategic plan update is work that is ongoing
- The conference was an absolute highlight, in Darwin. And the next in Cairns is an exciting prospect
- There has been some work with regard to press releases
- The scholarship from the donor in Victoria was a sensational support to young professionals, and a letter of thanks from the national executive was sent
- The journal working group and editors are still working on the merge of the journals and further work on this is still to come
- The AASE website and generic emails are still to be finalised
- There has been work on position papers, with thanks to Jennifer and others
- Executive have represented AASE on various groups again, including AAAE and ACARA

Looking forward to another great year!
